A Nicklaus Design Golf Resort to open at Yasmine Golf Club in 2011!

Owning Company, TGS (Tunisia Golf Services) was proud to announce earlier in May 09 that Yasmine Golf Club located in Hammamet, has signed officially an agreement with famous awarded brand, Nicklaus Design for an extensive project including:

Phase 1: starting from mid-August 2009, a new 18-hole Nicklaus Design Golf Course with attractive and challenging golf features.

Phase 2: starting from June 2011, renovation of the existing 18-hole Yasmine championship course.

A fantastic project, which will position Yasmine Golf Club Hammamet on the "Top World Golf Courses Map" and will offer to all local and international players a comprehensive residential village with deluxe villas, condominiums, apartments and entertainment facilities.

During the construction phases, Yasmine Golf Club will remain open to the public as normal operation and without any disturbances for golfers. With a philosophy of working closely with golf course design clients, enhancing the natural environment, and creating courses that are both challenging and enjoyable for players of all levels, the company has 337 courses open for play in 33 countries and 39 states. At least 60 Nicklaus Design courses have been ranked by major industry publications like Golf Digest, Golfweek, GOLF Magazine and Travel and Leisure Golf, in various national or international Top-100 lists - Source: www.nicklaus.com
